

SUPER HEROES

Super heroes are everywhere. Some are inside their house right now in lockdown and some are out there saving the world. Some wear super aprons and the others are in full PPE. It seems to me that we are all super heroes at the moment and we should all be very proud of our new found powers.

Thank you to all Teachers,
Teaching Assistants, sports
coaches, kitchen staff, site
managers, cleaners and anyone
else heading into a school to
keep it running so that our NHS
and carers can take care of the
sick and the vulnerable.

FUNDRAISING

Bag2School

follow us on Facebook

Thank you so much for all the bags dropped at my house. From 25 bags in the first week, more than 400 bags were dropped the second week. That is more than 2 ton of clothes.

Bags2school gives Holly Park school 40p/kilo. That's an estimated £800. It also means a great recycling effort, 1 ton of clothes not in landfills, a fantastic help to the community and a valuable fundraising for our school.

I had a few inquiries on where do the bags go to. So, here is a little sum up.

The clothes collected are baled into big 'botany bales' and then loaded onto trucks for export. Once in various factories, they are sorted into 150 different types of clothing depending upon the end market.

The clothing will make journeys all over the world starting their new life! From a market stall in Africa to a purpose-built secondhand store in South America.

Class Photos

We are starting the class photo project this week. However, we are starting very slowly by actually making sure we have all the parents on year WhatsApp groups so no children miss out. Could you please ask your friends to invite you to join these WhatsApp groups or even contact us on ptahollypark@yahoo.co.uk so we can help you to be part of this lovely project.

WELLBEING

connect in

Becoming a parent and being a parent is
one of life's greatest challenges!

Hi I'm Charlie! I'm a Holly Park mum. I have 2 girls at the school, and I am a Coach who specialises in support for parents.

There is no greater time to be consciously taking care of yourself & resourcing yourself as a parent.

As parents & families we are all experiencing this lockdown in very different ways but one thing that is the same is that we all need support and to turn towards one another as parents right now.

And here are a few options of support I'm offering right now:

1. Facebook group – Wellbeing support & resources for parents
<https://www.facebook.com/groups/426886147935470/>

When you join you can receive a free guide of 10 ways to create space and Connect In. We share wellbeing tips, practices, resources and support one another.

2. A virtual well-being group (via zoom) for parents every Tuesday 8.30-9.30pm this is a space to join with others, be guided in meditation, have some space to reflect on your wellbeing, share and consider what will support you in the week ahead.

3. I'm offering free wellness calls right now. During these we do a temperature check of your wellbeing right now. I offer some immediate steps you can take to support energy & wellbeing and I share some services with you.

If you are interested in any of the above, do get in touch:
