NHS FUNDRAISER with Innovation Dance Studios

We are running an 'Escape Room' NHS fundraiser during half term on Friday 29th May at 5pm. This will be really fun for the dancers - they all join via zoom, and will be split into teams. Each team is sent to their own breakout room, where they have to answer dance-themed questions and puzzles to 'escape'. The final challenge is that they all have to learn a short routine - the first team to master the routine will then return to the main zoom room and will be the winners.

Entry is £5 per entrant, and proceeds are going to the NHS. To enter, please email info@innovationdancestudios.co.uk, and we will send you bank details for payment, and will send zoom details over on the day before. Teams will be 5/6 members - if you have a full team ready to go, let us know who you would like to be with (one 'team leader' will need to have access to zoom on a computer / laptop rather than an ipad/phone). Otherwise, just enter individually and we will allocate teams. The routines will be learnt via tiktok, so entrants will need to have access to this app.

It would be great to raise as much as we can, so do get in touch if you would like to be involved!

Best wishes,
Emma & Zoe

WELLBEING

connect in

Becoming a parent and being a parent is
one of life's greatest challenges!

Hi I'm Charlie! I'm a Holly Park mum. I have 2 girls at the school, and I am a Coach who specialises in support for parents.

There is no greater time to be consciously taking care of yourself & resourcing yourself as a parent.

As parents & families we are all experiencing this lockdown in very different ways but one thing that is the same is that we all need support and to turn towards one another as parents right now.

And here are a few options of support I'm offering right now:

1. Facebook group – Wellbeing support & resources for parents
<https://www.facebook.com/groups/426886147935470/>

When you join you can receive a free guide of 10 ways to create space and Connect In. We share wellbeing tips, practices, resources and support one another.

2. A virtual well-being group (via zoom) for parents every Tuesday 8.30-9.30pm this is a space to join with others, be guided in meditation, have some space to reflect on your wellbeing, share and consider what will support you in the week ahead.

3. I'm offering free wellness calls right now. During these we do a temperature check of your wellbeing right now. I offer some immediate steps you can take to support energy & wellbeing and I share some services with you.

If you are interested in any of the above, do get in touch:

Take care everyone x
