Becoming a parent and being a parent is
one of life's greatest challenges!

Hi I'm Charlie! I'm a Holly Park mum. I have 2 girls at the school, and I am a Coach who specialises in support for parents.

There is no greater time to be consciously taking care of yourself & resourcing yourself as a parent.

As parents & families we are all experiencing this lockdown in very different ways but one thing that is the same is that we all need support and to turn towards one another as parents right now.

And here are a few options of support I'm offering right now:

1. Facebook group – Wellbeing support & resources for parents
<https://www.facebook.com/groups/426886147935470/>

When you join you can receive a free guide of 10 ways to create space and Connect In. We share wellbeing tips, practices, resources and support one another.

2. A virtual well-being group (via zoom) for parents every Tuesday 8.30-9.30pm this is a space to join with others, be guided in meditation, have some space to reflect on your wellbeing, share and consider what will support you in the week ahead.

3. I'm offering free wellness calls right now. During these we do a temperature check of your wellbeing right now. I offer some immediate steps you can take to support energy & wellbeing and I share some services with you.

If you are interested in any of the above, do get in touch:

Take care everyone x
