

Hope you're doing OK. The weather has been very odd this week. We haven't known what to wear. Right now, it is pouring with rain – Lila would be delighted! We are lucky to live in a country with enough rain and sun to keep everything growing. I still hope that today is sunny though!! Have a fun day!

2 Blend the sounds

cir/cus	grace/ful	A/lice
ac/ci/dent	chance	choice
fan/cy	else	whist/led

3 Read the tricky words

great	clothes
-------	---------

READING – We are learning to use our phonic knowledge to sound out and blend to read words accurately.

Kat's Great Act: Look at the words inside the front cover, especially looking at numbers 2 and 3. Are you more confident with these words? If not, practice blending to read until you can read them quickly. Use your robot arms if needed. If you are confident, can you say what these words mean?

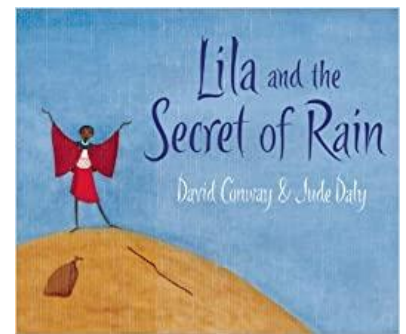

LITERACY - We are learning to understand events in stories.

<https://www.youtube.com/watch?v=YhfhxhSHZi8>

Watch this teacher read the story of 'Lila and the Secret of Rain'.

Draw a story map of Lila and the Secret of Rain.

A story map is when you draw the different parts of the story in the right order. You can draw them in a line or wherever you like. There is an example on the next page to remind of you of how to draw one. I think you could do a better job than the one that I have given you though!

MATHS - We are learning recognise and know the value of different coins

School is closed today so your job is to go with your grown up (if it is safe) to your local shop and look at the prices of fruit, or your favourite snack. Choose something that you would like to buy. You will need to decide which coins you would need to buy it. When you have picked your treat draw a picture of it and write down the price also draw the coins you might use to buy it. Good luck and happy shopping.

FOUNDATION SUBJECTS – Art – We are learning to use the techniques of different craftspeople.

Have you ever looked closely at the clothes you wear? Do you ever wonder how they are made? Some of the cloth used to make your clothes is made using a textile method called **weaving**. Look at the 'Kente Cloth' sheet on the website to see what you are going to do today.
