WHAT'S NEW...

For those that have been following the changes at Boydens, **Allotments** (as it is now called) is **opening on Friday**. The initiative sounds amazing and it would be lovely to support them. The ultimate aim of NLCC is to engage, enable, empower and equip people from marginalised and disadvantage backgrounds to achieve their intellectual, social, emotional and economic independence and well-being using our very own **C.H.O.I.C.E.S program** (Choose Health Opportunities Independence Character Employment Skills)

In early March, 2020, the UK was threatened by the global pandemic (Coronavirus) and as a result many people were not able to attend work or go about their normal daily activities.

The people most affected were the elderly, unemployed, homeless and working class citizens who were classed as most vulnerable and as a result were encouraged to isolate. Many of these people had no help.

We therefore thought that it will be a good idea to help these vulnerable people and now feeding over 11 thousand hot meals every month. **We are now starting a community restaurant to enable us to continue to support our community where all profits will help us reinvest in providing free meals to the vulnerable and training for the youth.**

Becoming a parent and being a parent is
one of life's greatest challenges!

Hi I'm Charlie! I'm a Holly Park mum. I have 2 girls at the school, and I am a Wellbeing & Development coach who specialises in support for parents.

There is no greater time to be well as a parent!
As parents & families we are all experiencing this lockdown/COVID/Homeschooling... in very different ways but one thing that is the same is that we all need support and to turn towards one another as parents right now.

1. Facebook group – Wellbeing support & resources for parents

<https://www.facebook.com/groups/426886147935470/>

When you join you can receive a free guide of 10 ways to create space and Connect In.

We share wellbeing tips, practices, resources and support one another.

2. I'm offering free wellness calls. During these we do a temperature check of your wellbeing right now. I offer some immediate steps you can take to support energy & wellbeing and I share some services with you.

3. Also, in the group right now is a free guide of how to stay well right now as parents. Although things are beginning to ease. The challenge for many parents continues and so staying well is so important.

INNOVATION DANCE

FINCHLEY SUMMER WORKSHOPS

Dear Parents and Guardians,

Very excitingly, the government have updated their guidance last week to allow dance to take place as an extra-curricular activity during the summer holiday as childcare provision for children over the age of 5 years, so we are delighted to be able to say that we can run workshops during the summer holiday!

Of course these will look different to our usual workshops, and we want to ensure that we do everything we can to maintain the safety of the children and teachers. We have had the studios professionally risk assessed for the current situation, so we feel & hope that we have considered everything necessary. Do of course contact us if you have any concerns, or feel there's anything we can add.
