CLASS PHOTOS ARE BEING HAND DELIVERED TO YOU THIS WEEKEND (yes, the 372 orders!)

The lovely class photos have been an absolute success. Parents all over the group Years have been very happy with the results and the PTA has proven to be an amazing team with such a task handled beautifully from the beginning to the end.

We had ordered an extra photo for each class in case we encountered any issues and with an immaculate job done, we now have 1 spare photo to purchase per class. An opportunity for parents who perhaps missed out. Class photo requests can be made on ptahollypark@yahoo.co.uk We also have 5 spare frames.

Becoming a parent and being a parent is
one of life's greatest challenges!

Hi I'm Charlie! I'm a Holly Park mum. I have 2 girls at the school, and I am a Wellbeing & Development coach who specialises in support for parents.

There is no greater time to be well as a parent!
As parents & families we are all experiencing this lockdown/COVID/Homeschooling... in very different ways but one thing that is the same is that we all need support and to turn towards one another as parents right now.

1. Facebook group – Wellbeing support & resources for parents

<https://www.facebook.com/groups/426886147935470/>

When you join you can receive a free guide of 10 ways to create space and Connect In.

We share wellbeing tips, practices, resources and support one another.

2. I'm offering free wellness calls. During these we do a temperature check of your wellbeing right now. I offer some immediate steps you can take to support energy & wellbeing and I share some services with you.

3. Also, in the group right now is a free guide of how to stay well right now as parents. Although things are beginning to ease. The challenge for many parents continues and so staying well is so important.

INNOVATION DANCE

FINCHLEY SUMMER WORKSHOPS

Dear Parents and Guardians,

Very excitingly, the government have updated their guidance last week to allow dance to take place as an extra-curricular activity during the summer holiday as childcare provision for children over the age of 5 years, so we are delighted to be able to say that we can run workshops during the summer holiday!

Of course these will look different to our usual workshops, and we want to ensure that we do everything we can to maintain the safety of the children and teachers. We have had the studios professionally risk assessed for the current situation, so we feel & hope that we have considered everything necessary. Do of course contact us if you have any concerns, or feel there's anything we can add.
