

Year Two - Autumn Term Curriculum Newsletter

Learning Project - Fantastic Animals and Where to Find Them

Dear Parents/Carers,

Welcome to Year Two. This is going to be a busy year with lots of learning. We will be continuing with homework on the Google Classroom and reading through Bug Club on the Active Learn website. We will also be taking part in many fun activities, starting with our synagogue trip on October 10th; if you are available to accompany us on this trip, please come and see Miss Hounslow in the office. If you have any concerns or questions, please come and see us at the end of the day. We are really looking forward to working with you and your children.

Best wishes,

Sidrah Mir and Emma Fitzpatrick
