Annual House Challenge Event

This week we had our annual House Challenge event. The theme this year was pancake tossing. The children worked with their house team to do as many runs as they could in 15 minutes whilst tossing a pancake in a frying pan.

House challenges are excellent for supporting our Holly Park learning skill of team work – supporting each other and encouraging each other and working together for a common goal. Children work with their phase of the school and so get to work with other children across the school who they wouldn't normally work with – this is a good social interaction.

Here are the results of the Annual House Challenge:

	Points Total	Position
Hydra	159	Second
Griffin	186	First
Phoenix	108	Fourth
Dragon	130	Third
Unicorn	130	Third

listed at the end of the newsletter.
