

Learning Project – All About Me

Dear Parents/Carers,

Welcome to year 1! Your children have settled in and have been impressed with their enthusiasm at coming back to school. Please see a summary below of what your children will be learning in the Autumn term. They are now following the year national curriculum so the learning will be presented slightly differently to reception but there will still be time for playing and exploring.

Best wishes,

Lewis Turner and Annie Nichols

Science	Maths	English - writing
Humans Seasonal Changes (ongoing)	Time Number and Place Value - Measurement Number and Place Value - Addition and Subtraction	Addition and Subtraction – Aggregation and partitioning 2D and 3D Shapes - Position and Direction
