

Learning Projects

Let's Explore the Past & Bright Lights Big City

Dear Parents/Carers,

Welcome to Year Two! Year Two is busy with lots of learning but also lots of fun. This half term we are learning about where we live, both historically and geographically. We will be learning about houses and homes in the local area, then learning about London as a whole. If you have the time and opportunity to visit Central London with your children to see the sights, this would be really beneficial to their understanding and learning. During this term, we are going on a few trips and visits, so would appreciate support. Please let the office know if you are free to come with us.

If you have any questions or concerns, please write us a note, email the school, or come and see us at 3.30. We will always be happy to listen to you and help where we can.

With best wishes, Emma Fitzpatrick and Sidrah Mir

Science	Maths	English - writing
Animals including Humans (animals) Animals including Humans (humans) Everyday materials	Strategies Within 10 Multiples of 10 up to 100 Numbers 20-100 Bridging 10	2 Digit and 1 Digit Numbers Addition and Subtraction Two Digit Numbers and Multiples of 10 Measure Subtraction as a Difference
