

## Learning Project - Hot and Cold Countries

Dear Families,

Welcome back, we hope you had a restful break. This term we are really excited about forest schools, please remember the children don't need to wear their uniform when it is their day to go, but they do need to bring a water bottle and snack in a backpack to take to the woods. We are also looking forward to our trip to the zoo to learn all about animals and where they live. This term will also have our phonics screening. Please continue to log onto Bug Club daily to read the books and play the sound games. Each week we send home real and alien words and the more you read these with your child the more their confidence will grow for the screening. Thank you for your continued support in this.

Best wishes,

Mr Turner and Mrs Nichols

Science	Maths		English - writing
Animals Plants	Number and Place Value – Composition of Numbers	Multiplication and Division Number and Place Multiplication and Division	Non-chronological report Non-chronological report.
	Addition and Subtraction -numbers 11-19	Mass/Weight and Volume and Capacity	Poetry
	Measurement – length	Time	Diary Entry
	Number and Place Value	Position and Direction	Instructions
	Measurement – money		Stories with repetition
