

Learning Project- The Time of the Tudors

Dear Families,

We have begun work on our new Learning Project, 'The Time of the Tudors'. We will be learning about Tudor kings and queens, as well as how rich and poor people lived at that time. We are also visiting the Tower of London, where many major events in Tudor history took place. In the last half term we will focus on Tudor exploration during the reign of Elizabeth I, alongside a study of North America. See below for further information about how different subject areas will be covered over the summer term.

Best wishes, Mrs Smith, Ms Mountford and Mrs Zane

Science	Maths	English - writing
States of matter Electricity	Decimals Perimeter and Area Fractions	Geometry - Shape Time Statistics Position & Direction
English - Grammar Extend sentences with more than one clause by using conjunctions. Use inverted commas and other punctuation to indicate direct speech. Choose nouns or pronouns appropriately.
